

# DEPARTMENT OF KAUMARABHRITYA

Ayurveda Pediatrics

This branch is one of the eight aspects of natural healing since the Vedic period. It deals with the rearing and treatment of the neonates, infants and children. The department looks into improving the immunity and intellect, and overall development of a child by adopting traditional initiatives such as “Swarnamruthaprashana”.

The department is acclaimed in treating cerebral palsy, developmental disabilities, childhood epilepsy, etc. It is acclaimed in providing pediatric panchakarma.

## **VISION**

Eternal science for child care

## **MISSION**

- 1) Prepare the graduates and specialists to cater to the health needs of the children
- 2) Training the scholars to teach Ayurveda pediatrics in academia
