

DEPARTMENT OF SHALAKYA TANTRA

Ayurveda Ophthalmology & ENT

It is a branch which deals with the health care of Eye, Ear, Nose, Throat, Oral & Dentistry and Head. These being the vital sensory organs, there is a dire need to protect and preserve the health of these organs, hence known as Uttamanga Chikitsa Tantra.

It has Out- patient department for Eye, ENT and Dental separately, with well equipped Kriya Kalpa Unit, Eye Exercise Unit, MOT Unit and major operation theater for Eye & ENT separately. The in-patient unit caters to the health seekers by providing care through surgical procedures and kriya kalpas- special eye treatment procedures that are both curative and preventive in nature.

VISION Eternal Science for adequate sensual perception

MISSION

- To prepare the Ayurvedic graduates and specialists to cater to the health need
- Research orientation in unexplored areas of Ayurveda Ophthalmolog & ENT
- Hand to Hand Surgical training to provide clinical excellence
